PARISH PASTORAL COUNCIL

ANNUAL GENERAL MEETING

25TH SEPTEMBER 2016
(AFTER THE 9:00 AM MASS)

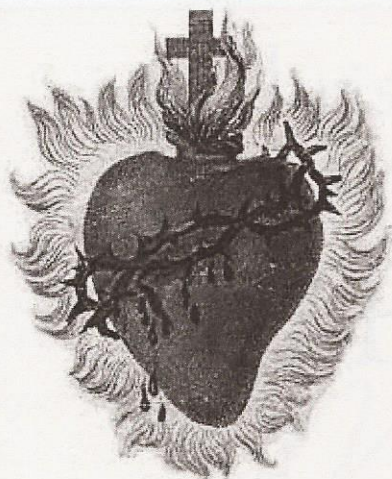

We call on YOU, our beloved parishioners, to witness and be part of the PARISH PASTORAL COUNCIL AGM this year. The Council will report on the progress and present status of the parish, including all religious groups, organizations, and volunteers. Each group will report on the progress of their individual undertakings during the year as well as the need of each and everyone's SUPPORT.

The Parish would like to envision a more dynamic and vibrant community. So in this spirit, the PPC moved a motion to have our own "MISSION and VISION Statement**", for improvement, growth, to lift our parish community and support growth as one community and as individual, enhancing our spiritual lives and for the greater Glory of GOD.**

Therefore, we ask your help, come and give us ideas and suggestions to formulate our "Mission/Vision Statement**". All organizations in the parish are requested to have their report ready in writing by 18th September. Any individual who wishes to take part in the deliberation of the motion for "**MVS**" is requested to have it in writing and to be submitted the same day.**

THANK YOU VERY MUCH for all the support and love you give to the parish. Thank you to all volunteers, thank you to everyone. MAY GOD BLESS US ALL.

SACRED HEART PARISH INVERELL

The Church in the Heart of the community, a sharing and caring community where people come together as one when times are good and when needs arise. Our community responds to the call to bring Christ's "Good News" to all through its services to schools, hospitals, nursing homes and homebound parishioners; through pastoral care of families and individuals, the elderly, the youth, the disadvantage and the wider community as a whole.

Our parish offers a comprehensive "Sacramental" program that runs throughout the year. Besides the daily celebration of the "Holy Eucharist", other sacraments are available as scheduled and as requested.

Every work done in the parish through the efforts of the Parish Priest, Religious Sisters, religious groups, volunteers and individuals reach-out and touch many within the wider Inverell community. This vital work, though at times unnoticed and hidden, is the lifeblood of our flourishing community. There are challenges ahead because of not only the ageing population but also of the lack of vocations and ageing priests. It is obvious that to maintain the current life of our Parish and develop it for the future generations, communal harmony and cooperation is needed.

Those who have gone before us have for many years made Sacred Heart Parish the vibrant community it is today. Let us now rise to the challenges to move forward to even greater heights for the greater glory of God.
