22ND SUNDAY IN ORDINARY TIME /C

The following has been received from Bishop Kennedy,

NSW Reproductive Health Care Reform Bill

An online petition has been organised by Barnaby Joyce MP on this issue.

This is a different petition to the hard copy petition you may have signed in the past few weeks. That petition was organised by the Right to Life Group and it will be presented to the NSW Upper House.

This Petition is urging the New South Wales Parliament to establish a Parliamentary Inquiry into the proposed abortion legislation - including consideration of adoption processes in New South Wales to reflect the realities of families and their individual circumstances - before putting it to a vote.

The legislation put forward in the NSW Parliament is among the most extreme in the world.

This debate cannot be rushed. This debate cannot be stifled.
